What's a boy to do?
 When you tell your tale and it never fails
 I just end up feeling bad for you
 With your hang-dog eyes
 You can bring me down now I'm wrapped around your whole hand stop looking so surprised

Make it easy (easy) (2x)

I've been burned before
 You're not fooling me there's no mystery you've forgotten what you're hiding for
 Call it self-defense
 You can obfuscate and manipulate but it's only at your own expense

Make it easy (easy) (4x)

Easy to be with you
 Easy to obey
 Easy to forgive you at the end of the day
 East not to judge you
 Easy to betray
 Easy to adore you though you want to run away
