INTRO (1x)

VERSE1

I can't believe that you'd believe that I would fake it
Wait - unless you count the things I said when we were naked
Run, run away from everything we'd ever hoped for
I can't believe that this is what people elope for

VERSE2

Throw your sticks and stones
Throw your mobile phone

CHORUS

Wind me up, my dear
Had it up to here
Wind it up

VERSE3: D - C - G - D (4x)

If you are leaving then I wish you luck
I hope someone can make your heart warm
I was a baby when I learned to suck
But you have raised it to an art form

SOLO: VERSE2 (3x)**VERSE2**

Yes I'm out of line
But you're out of your mind

CHORUS (4x)

Wind me up, my dear
Had it up to here
Wind me up, my dear
Had it up to here
Wind me up
