8x

Affirmative may be justified take from one give to another
 The goal is to be unified take my hand be my brother
 The payment silenced the masses sanctified by oppression
 Unity took a back seat sliding further into regression
 One oh One the only way is One
 One oh One the only way is One

CHORUS: B - F# - C# - G# (2x)

I feel angry I feel helpless, wanna change the world yeah..
 I feel violent I feel alone, don't try and change my mind no..

INTRO (6x)

Society blind by color why hold down one to raise another
 Discrimination now on both sides seeds of hate blossom further
 The world is headed for mutiny, when all we want is unity
 We may rise and fall, but in the end we meet our fate together
 One oh One the only way is One
 One oh One the only way is One
