VERSE

Hello, I've waited here for you
Everlong
Tonight, I throw myself into
And out of the red, out of her head she sang

F# – F#/B – G – F#/B

Come down, and waste away with me
Down with me
Slow how, you wanted it to be
I'm over my head, out of her head she sang

CHORUS: **(C# – D – E – F# – F#, G, F# – (A)x2)x3**
(B – G – D)x3 A – G

And I wonder
When I sing along with you
If everything could ever feel this real forever
If anything could ever be this good again
The only thing I'll ever ask of you
You gotta promise not to stop when I say when
she sang

F# – F#/B – G – F#/B

VERSE

Breathe out, so I can breathe you in
Hold you in
And now, I know you've always been
Out of your head, out of my head I sang

CHORUS

* mando stop

"So Dad would take the Sunday's off,
And that's the only time he could ever get any rest,
And so, because we were loud on Sundays,
He'd make us hold his construction Boots over our head, till we'd sleep
And they were really heavy Boots and id used to say dad come on please
And like start crying, cause they're too heavy."

CHORUS: **C# – D – E – F# – F#, G, F# (x3)**
(B – G – D)x3 A – G – G – G – G

And I wonder

If everything could ever feel this real forever
If anything could ever be this good again
The only thing I'll ever ask of you
You've got to promise not to stop when I say when
