E - B7 - E

When you came in the air went out  
And every shadow filled up with doubt  
I don't know who you think you are but before the night is through  
I wanna do bad things with you

I'm the kind to sit up in his room  
Heart sick an' eyes filled up with blue  
I don't know what you've done to me but I know this much is true  
I wanna do bad things with you...okay

**SOLO**
