

Live - Dolphin's Cry

INTRO:

The way you're bathed in light, reminds me of that night,
Bm G D A
God laid me down into your rose garden of trust.
Bm G Bm G
And I was swept away, with nothin' left to say,
Bm G D A
Some helpless fool yeah I was lost in a swoon of peace.
Bm G Bm G
You're all I need to find, so when the time is right,
Bm G D A
Come to me sweetly, come to me.
E
Come to me

PRECHORUS:

B G E (4x)
Love will lead us, alright. Love will lead us, she will lead us.
Can you hear the dolphin's cry? See the road rise up to meet us.
It's in the air we breathe tonight.
Love will lead us, she will lead us.

INTRO

Oh yeah, we meet again, it's like we never left.
Time in between was just a dream, did we leave this place?
This crazy fog surrounds me, you wrap your legs around me
All I can do to try and breathe, let me breathe, so that I,
so we can go together!

PRECHORUS

CHORUS:

D A G
Life is like a shooting star, it don't matter who you are,
E
if you only run for cover. It's just a waste of time.
D A G
We are lost 'til we are found, this phoenix rises up from the ground,
E
and all these wars are over.
