

# Offspring - The Kids Aren't Alright

Em - C - G - D

## VERSE

When we were young the future was so bright  
The old neighborhood was so alive  
And every kid on the whole damn street  
Was gonna make it big in every beat

Now the neighborhood's cracked and torn  
The kids are grown up but their lives are worn  
How can one little street  
Swallow so many lives

## CHORUS:

Chances thrown  
Nothing's free  
Longing for  
Used to be  
Still it's hard  
Hard to see  
Fragile lives  
shattered dreams

Back: G

## VERSE

Jenny had a chance, well she really did  
Instead she dropped out and had a couple of kids  
Mark still lives at home cause he's got no job  
He just plays guitar and smokes a lot of pot

Jay committed suicide  
Brandon OD'd and died  
What the hell is going on?  
The cruellest dream - reality
