

Train - Drops of Jupiter

VERSE: A - E - D - Dsus4 - D

Now that she's back in the atmosphere
With drops of Jupiter in her hair, hey, hey
She acts like summer and walks like rain
Reminds me that there's time to change, hey, hey
Since the return from her stay on the moon
She listens like spring and she talks like June, hey, hey

CHORUS: E - B - D - A

E - B - Bm - D - A

Tell me did you sail across the sun
Did you make it to the Milky Way to see the lights all faded
And that heaven is overrated
Tell me, did you fall for a shooting star
One without a permanent scar
And did you miss me while you were looking at yourself out there

VERSE

Now that she's back from that soul vacation
Tracing her way through the constellation, hey, hey
She checks out Mozart while she does tae-bo
Reminds me that there's time to grow, hey, hey

A

Now that she's back in the atmosphere

E

I'm afraid that she might think of me as plain ol' Jane

D

Told a story about a man who is too afraid to fly so he never did land

CHORUS

Tell me did the wind sweep you off your feet
Did you finally get the chance to dance along the light of day
And head back to the Milky Way
And tell me, did Venus blow your mind (AAAAAAH)
Was it everything you wanted to find (AAAAAAH)
And did you miss me while you were looking for yourself out there (AAAAAAH)

VERSE

Can you imagine no love, pride, deep-fried chicken
Your best friend always . . . sticking up for you
Even when I know you're wrong

Can you imagine no first dance, freeze dried romance
Five-hour phone conversation
The best soy latte that you ever had . . . and me

PRE-CHORUS: E - B - D - A

Tell me did the wind sweep you off your feet
Did you finally get the chance to dance along the light of day
And head back toward the Milky Way

CHORUS (AAAAAAH)

VERSE (NaNa NaNa NaNa ...)
