

Blink 182 - Dammit

C - G - Am - F

VERSE

It's alright	The steps that
to tell me	I retrace
what you think	the sad look
about me	on your face
I won't try	The timing
to argue	and structure
or hold it	did you hear
against you	he fucked her?
I know that	A day late
you're leaving	a buck short
you must have	I'm writing
your reasons	the report
The season	On losing
is calling	and failing
your pictures	when I move
are falling down	I'm flailing now

CHORUS

And it's happened once again
I'll turn to a friend
Someone that understands
Sticks to the master plan
But everybody's gone
And I've been here for too long
To face this on my own
Well I guess this is growing up (2x)

VERSE

And maybe
I'll see you
at a movie
sneak preview
You'll show up
and walk by
on the arm
of that guy
And I'll smile
and you'll wave
we'll pretend
it's okay
The charade
it won't last
when he's gone
I won't come back

CHORUS

And it'll happen once again
You'll turn to a friend
Someone that understands
And sticks to the master plan

But everybody's gone
And you've been there for too long
To face this on your own
Well I guess this is growing up
