

# Stevie Ray Vaughan – Life By The Drop

## INTRO

**A(x2)**

**VERSE: A – E – F#m – D**

Hello there, my old friend  
Not so long ago it was til the end  
We played outside in the pouring rain  
On our way up the road we started over again

**CHORUS: F#m – D, E (x2)**  
**F#m – D7 – E**

You're living our dream oh you on top  
my mind is aching, ' Lord it won't stop  
That's how it happens living life by the drop

**A(x2)**

## VERSE

Up and down the road in our worn down shoes  
Talking about good things and singing the blues  
you went your way and I stayed behind  
We both knew it was just a matter of time

## CHORUS

## VERSE

No wasted time, we're alive today  
Churning up the past, there's no easier way  
Time's been between us, a means to an end  
God it's good to be here walking together my friend

**F#m – D (x2)**

We're living our dreams  
my mind's stopped aching, '

**F#m – D7 – E – A – A**

That's how it happened living life by the drop  
That's how it happened living life by the drop  
That's how it happened living life by the drop
